

Name: _____ Date: _____ Geo: _____

Journey to Jo'burg---Reading Guide 11-15

1. How do Mma and the kids get home?
2. What is Mma's reaction when Tiro and Naledi said a boy helped them on an Orange farm?
3. How does Naledi think Mma is able to pay for all of her travel?
4. Once in the backroom, Mma and Naledi meet another woman with a child. Both Mma and her have children that are sick. What do they think is wrong with them?
5. What race was the doctor? What might this tell us about the Education system?
6. What does Naledi say when Mma says "we have no banknotes, we must walk home..."?
7. What do they avoid on the way home? Why?
8. Explain how not having milk, fruit and vegetables at that young age made Dineo so sick. Be specific.
9. Why do you think it is hard to supply these food items for Mma's family?
10. What are some things that Naledi and Tiro learned that they didn't know before this trip?

A.

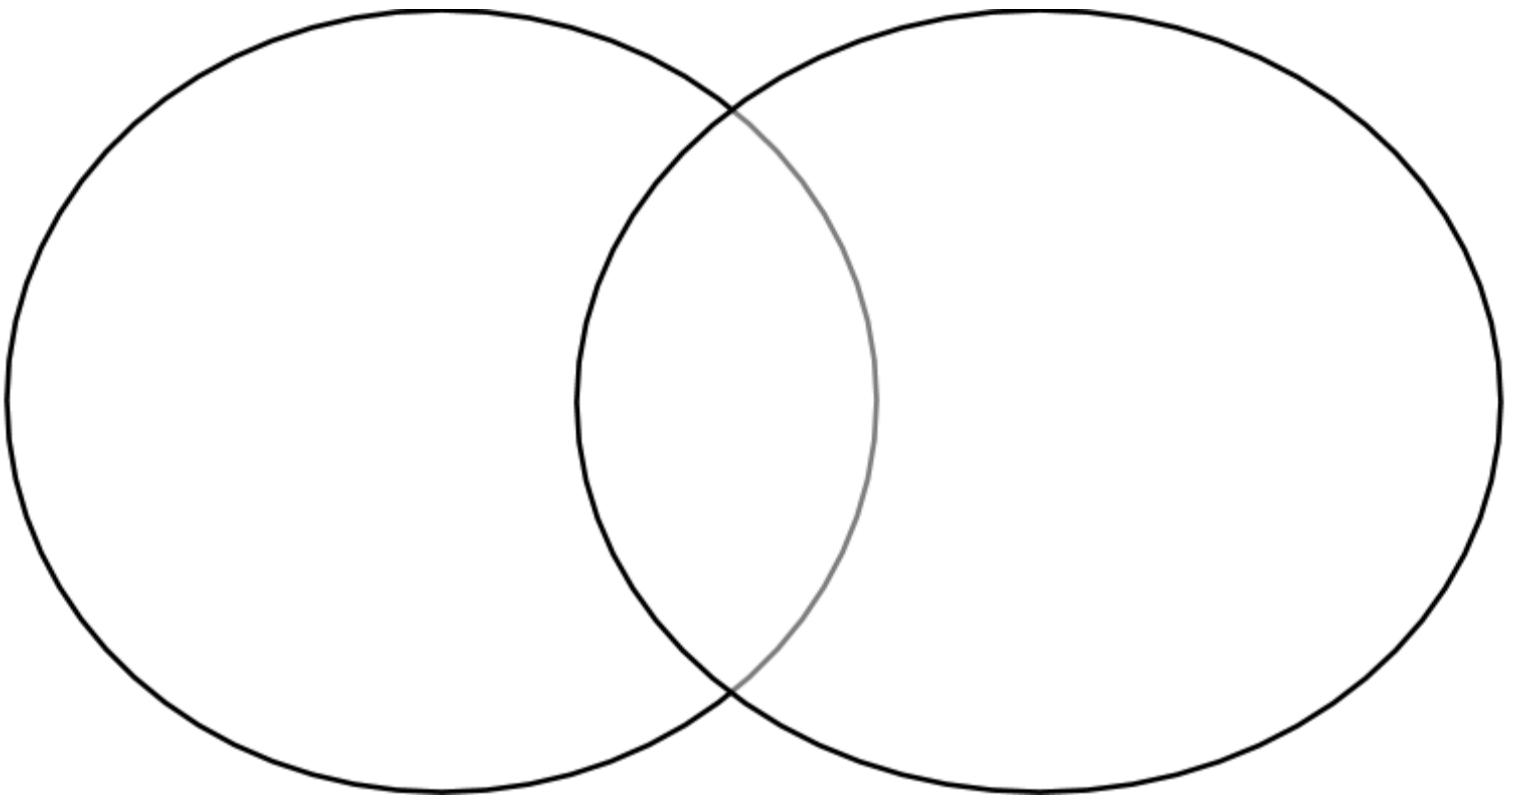

B.

C.

D.

11. This Trip saved Dineo's life. But it also changed Naledi's. Explain how, and use evidence from the text (You can use some of your answers from Number 10 to help you).

12. Compare and contrast Ji-Li's school with black South African Education (You will continue to fill in information about South Africa's school until the end of the book!)

13. **BONUS:** *This Book has a sequel...The name is called "Chain of Fire." Please write a 5-7 sentence summary that you might find on the back of a book. Also, design a cover for your book below your summary. USE a blank sheet of paper.*
